

The background is a solid teal color. It is decorated with numerous Easter eggs of various sizes and patterns, including stripes, polka dots, and floral designs in shades of orange, red, green, and yellow. Three rabbits are featured: a large brown rabbit sitting on the left, a small white rabbit with orange ears in the upper center, and an orange rabbit sitting inside a green wicker basket on the right. The basket also contains two small pink flowers. At the bottom center, there is a small patch of green grass with two more decorated eggs (one yellow with purple flowers, one purple with yellow flowers) partially hidden behind it.
