

## **Municipality of Cassano d'Adda School Canteen Registration School Year 2026/2027**

We hereby inform you that all users must access the **“portale genitori” (parent portal)** to register for the school meal service; if you are already registered, you must still confirm the details currently in the system.

**Registration is open from June 8, 2026, to June 30, 2026.**

You need to log in to the parents' portal: [www.acmeitalia.it/grs800/web220/login.asp](http://www.acmeitalia.it/grs800/web220/login.asp) or log in to the application **School & Meal**

Failure to register will be treated as a failure to request the service; consequently, Elior will be unable to provide meals to unregistered users.

### **PLEASE NOTE!**

Users with an outstanding balance must first settle the debt or sign a repayment plan in order to register for the dining service for the 2026/2027 academic year; **otherwise, access to the canteen will not be possible.**

To sign up for repayment plans aimed at settling outstanding arrears, please contact us at 035 5901800/807 or via email at [recuperocreditielior@advtrade.it](mailto:recuperocreditielior@advtrade.it)

### **NEW REGISTRATION (user signing up for the first time)**

On the portal's home page, click on the text.

**I do not have the user code. Click here to register a new student for next school year's services.**

Once logged in, you must fill in the required information and confirm that you have reviewed the attached documents.

The system allows the registration to be saved as a draft, which can be completed later but before registration closes.

They will be assigned to new registrants by September: **identification code, password and IVR password** to cancel the meal.

### **RENEWAL REGISTRATION (user already attending the canteen)**

Once you have logged in using your credentials or SPID, you need to click on ISCRIZIONI 26/27. (menu to the left of the parent portal) , please check the accuracy of the data already present in the system, modify them if necessary and finally confirm that you have read the attached documents.

The procedure must be repeated for each child using the school canteen.

### **It will only be possible to request the following during the registration or renewal process:**

- the reduced rate by filling in the ISEE fields—the ISEE document must MANDATORILY be attached
  
- SPECIAL DIETS
  - **for ethical or religious reasons**
  - **for intolerance, allergies or medical conditions**, in this case, it is mandatory to attach the medical certificate, as prescribed by the ATS.

**Once the procedure is complete, the system issues a registration number, and it will be possible to print the form.**

**Registration confirmation will be sent via email by September 2026, following verification of the accuracy of the data.**
