

Welcome to EGADI ISLANDS!

You are in a Marine Protected Area, a special place. A few simple kind actions are enough to help preserve its beauty:

1 SORT THE WASTE

Do not leave waste on the beaches. Bring eco-friendly bags with you: a clean island is a happier island!

2 WEAR THE SHIRT

In the streets and in local venues, choose respectful clothing

2 RESPECT PEDESTRIAN AREAS

In the historic center, leave your bike and continue on foot

3 PICK UP YOUR CIGARETTE BUTTS

If you smoke, use a pocket ashtray – the sea will thank you!

4 KEEP CLEAN

Make sure you always clean up your dog's mess

5 RESPECT THE QUIET

Please keep noise to a minimum; quiet is a precious treasure

6 BEAUTY BELONGS TO EVERYONE

Respect it, live it with joy, share it
